

Data - FEBRUARY 2023

Y11

To maintain our Progress 8 score with our Y11s each set will need to achieve:

- Set 1 – Grade 9s
- Set 2 – Grade 8s and 9s
- Set 3 – Grade 7s and 8s
- Set 4 – Grade 6s

Y11 sat their final set of mocks in early March and teachers are currently marking/grading the papers. The grades above are very high but the teachers are working exceptionally hard to push the pupils to achieve as high as possible. Obviously, it was a lot easier last year to maximise grades as we had the “Advance Information” and could focus exclusively on that.
